Requirements for Certification as an Installer

All Levels must take 18-hour Introduction class. This class is offered several times annually and is provided by NCSTA (NC Septic Tank Association) and NCSU (NC State University). Send an email to the providers to be placed on the list and notified of availability of these classes. The email addresses are NCSTA: nseptictank@gmail.com and NCSU soils_training@ncsu.edu

Additional class hours are required based on level of installer certification

Grade Level I requires 6 additional hours of approved continuing education

Grade Level II requires 6 additional hours of approved continuing education

Grade Level III requires 9 additional hours of approved continuing education

Grade Level IV requires 12 additional hours of approved continuing education

These classes are offered by several providers in various locations. The schedule of these classes is listed on our website www.ncowcib.info under class information. The schedule is posted as NCOWCIB is notified of the dates and locations.

Please note NCOWCIB does not offer the classes. Scheduling, registration and payment of classes is done through the provider.

Exam Requirements:

Grade Level III and Grade Level IV require an exam. The exam is offered four times annually in different locations. To qualify to take the exam the applicant must have submitted a complete application package including application for certification, certification fee, attendance certificates from required courses and exam application. All required documents must be **received** by NCOWCIB a minimum of fifteen (15) days prior to the exam date. The exam application is available on our website www.ncowcib.info under forms. The exam dates are posted on our website www.ncowcib.info under announcement and dates.

Submission of Application Package: Mail to NCOWCIB P O Box 132 Lawsonville, NC 27022.

Fees are payable to NCOWCIB via check, cashiers check or money order. It is not required but is strongly recommended that the package be submitted by priority mail with tracking.

Certification fees to be submitted with application package:

Grade Level I \$150.00 Grade Level II \$200.00 Grade Level III \$250.00 Grade Level IV \$300.00

Incomplete packages will be returned to sender

The "Certification" will apply to all persons who wish to become certified as an On-Site Wastewater System Installer or as an On-Site Wastewater System Inspector as defined by Chapter 90A Article 5 of the General Statutes of North Carolina. By definition: "Contractor" means a person who constructs, installs, or repairs, or offers to construct, install, or repair an on-site wastewater system in the State, "Person" means all persons, including individuals, firms, partnerships, associations, public or private institutions, municipalities, or political subdivisions, governmental agencies, or public or private corporations organized and existing under the laws of this State or any other state or country, "Inspector" means a person who conducts an inspection in accordance with rules adopted by the Board. "Inspection" means an examination of an on-site wastewater system permitted under the provisions of Article 11 o Chapter 130A of the General Statutes, when requested by a lending institution, realtor, prospective homebuyer, or other impacted party as a condition of sale, refinancing, or transfer of title, which examination shall meet the minimum requirements established by the Board.
